

Geertjes Hoeve

Since 2014, Geertje's Hoeve has been a place to stay together and enjoy farm life. An open and free farm, that is never been as topical as it is now. There's a lot to do about how we treat our food and it agricultural area. Geertje's Hoeve likes to wear does its part through small-scale and organic, with respect for nature, good and honest food to produce. We bring the country to the city. And vice versa. We are confident that you will produce food well in the Netherlands sustainable is possible and important. We work there every day continue to improve this further.
